

Dress Your Best With Equis Boutique

By Lindsay Brock

During the 2015 winter competition season, a new hot-spot for equestrian shopping popped up on the show jumping circuit. Equis Boutique partnered with selected luxury brands to piece together a one-stop shopping experience like no other. Through mobile shopping at horse shows along the East Coast of the U.S. and through their online store, Equis Boutique has introduced several popular European brands to the North American market.

Nearly two years after their first pop-up boutique made a name for itself at the Winter Equestrian Festival in Wellington, Florida,

Equis Boutique is well-known as a popular place to find the highest quality products. The boutique carries the best from apparel brands including Parlanti, KASK, Manfredi and Kingsland Equestrian. In addition, Equis Boutique boasts quality tack from Dy'on, horse boots from Kentucky Horsewear, and much more.

As the busy spring horse show season approaches and the shopping lists continue to grow, Equis Boutique has stylish choices to fit any occasion. Shop these looks at Equis Boutique pop-up stores or at Equisboutique.com:
