European-Inspired Estate in Wellington's Saddle Trail

2993 Appaloosa Trail

Saddle Trail | \$13,900,000

This European-inspired estate is a gem on 4.11 acres. A detailed renovation in 2015 delivered modern but stately finishes from floor to ceiling. The main home includes 4 bedrooms, all with ensuite baths, and walk-in closets, and private balconies with the second-floor bedrooms. The master suite features a sitting area with fireplace, and the marble master bath offers dual water closets with Toto smart toilets, a free-standing tub and dual-head shower. The 16-stall barn features a private office, tack room, feed room, commercial quality laundry room, and 3-bedroom groom's apartment. Equestrians will delight in covered Aquaspa and treadmill areas, a 4-horse Kraft walker, lunging ring, 7 paddocks, all-weather arena, and grass jump field. Masterfully landscaped and flawless for both horse and human, this property is equal parts home and retreat.
