What riders are saying about Jay...

"I must have taken 100 lessons from Jay and no two were the same. They were all challenging, inventive and well thought-out. Even my horse was engaged! We both looked forward to our lessons. Having been a rider for about 20 years, Jay's lessons taught me confidence and communication with my horse." ~ Ame Artt

Score a last-minute gift for that special equestrian in your life.

- What they get: One lesson per week delivered via e-mail starting at \$33 per month for a year-long subscription, which works out to be... yes, you guessed it: \$8 per weekly lesson!
- **Bonus Benefits:** Phone and video support from Jay Duke, including horse evaluations, lesson questions, etc.
