Recently reduced price: \$8,650,000

Idyllic equestrian facility located minutes from the International Polo Club, as well as the Palm Beach International Equestrian Center showgrounds. The facility sprawls more than 15 acres and features a newly constructed covered arena complete with GGT footing, an outdoor GGT all-weather arena, and a grass jump field. Other equine-inspired offerings include 42 stalls, a 4-horse hot walker, round pen, and 23 expansive paddocks. The equestrian amenities are matched by an equally spectacular home on the property. Overlooking a pristine lake with gorgeous sunset views, the main house includes 3 bedrooms, 2.5 bathrooms, soaring ceilings, French doors, elegant marble floors, and a kitchen worthy of any five-star restaurant. A newly constructed and well-appointed 3-bedroom, 2.5-bathroom caretakers' home with a modern design aesthetic is nestled close to the barns. Various additional staff quarters also exist on the property.
