## One Month Left! Longines Masters of New York Returns to NYCB LIVE

New York, NY – After a celebrated debut at NYCB LIVE, Home of the Nassau Veterans Memorial Coliseum, in 2018, the Longines Masters Series will return to New York in one month! Running from April 25-28, 2019, the Longines Masters of New York will feature some of the world's most talented equestrian athletes.

The Riders Masters Cup also returns to New York to showcase two rounds of one-on-one speed duels to decide the winning team in a transatlantic battle of Riders USA vs. Riders Europe. After winning the inaugural Riders Masters Cup event during the 2017 edition of the Longines Masters of Paris and then again at the first Longines Masters of New York in April 2018 for the overall victory, the Riders Europe team rode to a remarkable hat-trick win on home soil in the third installment in the French capital city. Who will win in New York?

The best of equestrian competition and New York lifestyle combine to present the highest caliber of show jumping in this five-star rated event. In between competitions, indulge in Longines Masters shopping with brands that include Longines and H&M. Also enjoy in-house fine dining opportunities as well as thirst-quenching experiences with LaCroix Sparkling Water.
