

Pam Wheeler and Clementine Win Fourth Week of Forever Foundation Challenge

Congratulations to DEFHR volunteer Pam Wheeler and Clementine on winning week four of [Forever Foundation's](#) 60-day groundwork challenge! Our volunteers work hard preparing our horses for adoption and this pair is no exception. In addition to winning the challenge, Clementine was adopted and left for her forever home in the same week.

The Forever Foundation offers a ready-made, adaptable training template for equine rescue organizations across the U.S. Funded by [The Humane Society of the United States](#), DEFHR is a proud partner and participant in the program since its creation in 2013.

DEFHR Alumnus Completes 40-Mile Endurance Ride

We love hearing from our adopters and the amazing places DEFHR alumni reach in their new careers. Olly Olly Oxen-Free, renamed Prince Ali, came to DEFHR as a neglect case in 2018. He was underweight, frightened of people, and struggled to gain confidence due to his rough past. Now, Prince Ali and his adopter Nicole are taking on the endurance world by storm. Recently, they completed a 40-mile ride. We are so proud of this pair and happy to see all of their hard work pay off. Featured Horse of the Month: Gertie

20-year-old Tennessee Walker mare, 15.0hh

Gertie is a sweet and sensitive girl available for adoption through DEFHR's Guardian Program.

She loves being groomed and getting all the scratches, especially on her forehead. Gertie has a lovely, smooth gait that is perfect for spending time on trails. She's very smart and eager to please, always checking in with you during your ride. If you're looking for a horse to pamper and a trail riding buddy, Gertie might be the one for you.

Visit defhr.org/available-horses/ and email adopt@DEFHR.org for details on Gertie.
