"I understand the time and meticulous effort it takes to responsibly produce quality mounts and have a deep appreciation for North American-bred horses," said Connaway, who competes in the grand prix show jumping divisions as an amateur with her homebred horses. "I'm delighted to continue my partnership with the Capital Challenge Horse Show to honor the successes of these horses and their breeders."

The 2021 winner was Mr. Manhattan, ridden by Daniel Geitner of Aiken, South Carolina, and owned by Martin Schlaeppli of High Point, North Carolina. The eight-year-old gelding was bred and produced by Emil Spadone's Redfield Breeding in Ocala, Florida. Mr. Manhattan was sired by Maximus, another Redfield Breeding homebred, and out of Philippa, a former grand prix mount for Olympian McLain Ward and international hunter derby competitor with Louise Serio.

Daniel Geitner and Mr. Manhattan scored an 89 in an over fences class in the Green Hunter 3'3" Section A Division to earn the award. They also clinched the overall win in the \$25,000 North American Green Hunter 3'-3'3" Championship at the 2021 Capital Challenge Horse Show. **Photo by [Shawn McMillen Photography](#)**
