The USEA American Eventing Championships Presented by Nutrena Feeds Kalispell, Montana – August 31-September 2

The annual USEA American Eventing Championships presented by Nutrena Feeds (The AEC) is finally here! Tune in for the highlight division, the \$60,000 Adequan USEA Advanced Final, and watch some of the country's rising stars in the USEA Intermediate Championship and the Bates USEA Preliminary Championships. The AEC has become the pinnacle of the sport for the national levels with top junior, amateur, and professional athletes, so you definitely don't want to miss it.

Available On Demand

MARS Great Meadow International CCI4*-S

If you missed any of the action from MARS Great Meadow International, you can catch up with all three phases of the CCI4*-S, show jumping from the Preliminary, CCI2*, and CCI3* levels, as well as cross-country from the CCI3* on demand! Watch from start to finish, or relive the most thrilling rounds over and over again. See Tamie Smith lead the way with Mai Baum through dressage and show jumping, and then the exciting conclusion of Liz Halliday-Sharp and Cooley Quicksilver running away with the overall victory after cross-country. The next time we'll see some of these star athletes will be at the World Eventing Championships in Pratoni del Vivaro, Italy, in September!
