"We needed another good facility in the northeast. Saratoga checks a lot of boxes for us. It's a good size, a great location, and the town is lovely."

### Amanda Steege of Ashmeadow Farm located in Califon, NJ, and Ocala, FL

"Saratoga Horse Shows was a favorite competition for Team Ashmeadow in 2022. The show series has a wide range of classes to suit the needs of all of our horses and clients. The rings are all a great size with good footing and well-decorated jumps. The staff is very friendly, educated, and efficient. Also, you can't beat the town at night! There are so many things to do and great restaurants."

### Brooke Baldwin of Riverside Farm located in North Salem, NY, and Wellington, FL

"My clients love the town of Saratoga and enjoy being there during the spring and summer seasons when it is so beautiful. The Saratoga Horse Shows staff is amazing. Everyone from the office staff to Adele [Einhorn] and the management team makes an effort to listen and work things out for riders and trainers. The facility is laid out nicely, and it is not too crowded. The rings and jumps always look great. The schooling areas are also a nice size, which is very important."
