BEYOND THE COMPETITION ARENA

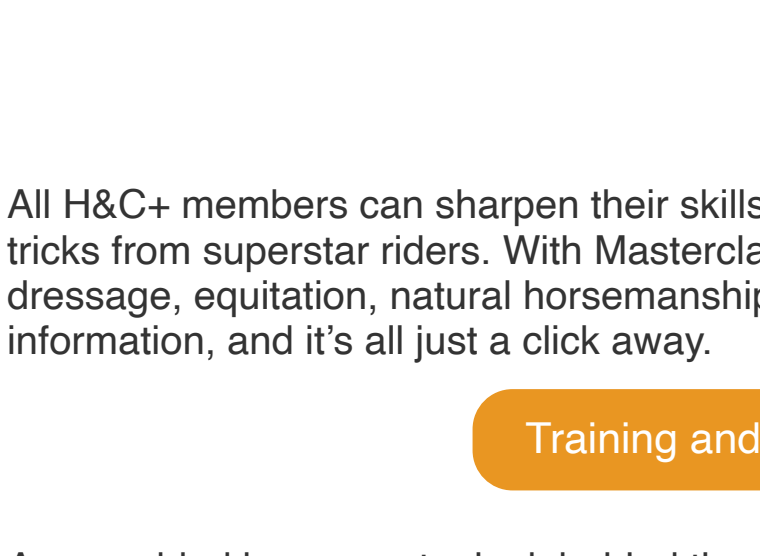

Keep up with your favorite star athletes even after the competition ends. With a wide variety of programming on H&C, such as barn tours, talks with the pros, plus training and advice shows, you get an inside look into the extra behind-the-scenes content we all enjoy.

In this new training series, "Back to Basics: Polework," Grand Prix dressage rider and trainer Tania Grantham shares her top 12 exercises, each utilizing just six poles or less. All the exercises are suitable for horses and ponies of varying sizes and for horse-and-rider combinations from beginner to advanced.

If you're looking to level up your training this year, then this is the series for you, whatever your discipline!

Be on the look out for Cobs Can Go Eventing. Each episode of this new show focuses on a different aspect of preparing your cob for the challenges of eventing, such as ways to help boost your dressage score, and advice on how to get ready for the demands of cross-country. There are also episodes on how to protect your cob's legs and nutritional advice, produced in association with Wool Wear and Baileys respectively. While the hero of this series is the cob, these tips and tricks will be valuable for any eventing mount.
