Can You Offer a Home to Endearing Eva?

Endearing Eva is a kind, 23-year-old 15.3hh Standardbred bay mare looking for a new home as a non-riding companion horse. Eva is a favorite of DEFHR volunteers to lead and groom. She is always excited to come in for feed time. She lives out, is not dominant in the field, and gets along well with other horses. She has a fused fetlock, but is pasture sound and enjoys playing with her friends. This lovely mare would be a great addition to any herd, a wonderful therapy horse, or a perfect non-riding companion.

Horse Network “A Collaborative Approach Brings About a Bright Future for Jackpot”

In the spring of 2023, DEFHR took in a group of 13 neglected horses, among them a young chestnut stallion named Jackpot. DEFHR provided his basic rehabilitation, including having his teeth floated, his hooves trimmed, and his vaccinations updated, and they gelded him so he could live a more sociable life.

At the time, DEFHR had a long list of around 40 horses waiting to be evaluated by their trainers. They worked with Equine Welfare Society (EWS), in Keswick, Virginia, and Jackpot traveled there to continue his education and prepare to be rehomed. Part of EWS’s mission is to provide rehabilitation and training to neglected horses so they can transition into useful and wanted companions. Jackpot has made tremendous strides, including obstacle training, being started on long-lines and under saddle, as well as helping to teach other horses about herd interaction.

“Jackpot is a real character,” says EWS Director Erica Stevens. “He enjoys spending time with people, and having his picture taken is a favorite activity. He is handsome, and he knows it.”

Featured Horse of the Month: Hobbit

Two-year-old Thoroughbred gelding

Hobbit is a two-year-old Thoroughbred chestnut gelding who is available for adoption. He is a clean slate and ready to take on the world! He has started basic groundwork training, has learned how to lunge, and has started exploring some obstacles like bridges, tarps, and poles. Hobbit stands tied for grooming and bathing, and he behaves nicely for the farrier/vet. Hobbit will need an adopter who has experience with young horses and has a plan to ensure that his education continues appropriately.

Email adopt@DEFHR.org for details on Hobbit, or use the buttons below.
