DANNY & RON'S RESCUE

A repeat gold-winner every year, Danny & Ron's Rescue is known for its incredible work and ties to the equestrian community. Since 2005, when they rescued 600 dogs in the aftermath of Hurricane Katrina, Danny & Ron have saved more than 14,000 abused, abandoned, and starving dogs, taking them in to live with them in their personal home—a.k.a. The Doghouse. Subjects of the popular Netflix documentary "Life in the Doghouse," Danny and Ron have also published a series of children's books.
